

High Impact Horticulture for High Traffic Areas

In 2000 the City of Burlington started to install median plantings on arterial roads. Learn how this program has grown, the benefits and the practices that have turned this program into a highly successful beautification initiative.

Who is Mary Battaglia?

Mary is the Manager of Field Services-Parks for the City of Burlington. Mary has worked for 24 years in Municipal Park Operations including 19 years with the City of Toronto and 3 years with the Town of Oakville. Mary holds a Bachelor of Environmental Studies degree from the University of Waterloo and is a graduate of the Niagara Parks Commission School of Horticulture. In her current role she has oversight of cemetery operations, parks maintenance and horticulture services.
